

COOLER/ FREEZER DOOR MEASUREMENT FOR QUOTATION

Step 1: Measure the **INSERT OPENING** (Height and Width in inches) as shown above

Step 2: Indicate the location of hinges¹ (right or left) for Swing Door

Step 3: Send the pictures to coolref@outlook.com if possible

¹Hinge side: stand outside the walk-in cooler/freezer and face to the door.

- + *Right Hinge*: If the hinges are located on your right side
- + *Left Hinge*: If the hinges are located on your left side
